## COMMENTS

What were the strongest points of the TA in discussion section or office hours?

- Jieyu was extremely helpful during office hours. She answered all of my questions and helped me with anything I was confused on. Whenever I would email her, she would respond quickly and was very flexible in working with my schedule if I wasn't able to attend the normal office hours.
- TA was there to talk to if you needed him

Do you have any recommendations for your TA that would help that person be a more effective TA in the future?

- Don't TA an online class, it's too hard to keep students interested
- None that I can think of.
