Do you have any recommendations for your TA that would help that person be a more effective TA in the future?

Results:

- Very confusing discussion videos to follow. I'd recommend putting yourself in the shoes of the student and trying to understand what we would think.
- I would say to have live discussions with classmates for a more interactive discussion.
- Maybe being more interactive with students. The class felt a bit disconnected at times
- encourage more live discussions with students for better understanding
- Some of the discussion videos are longer than I expected.
- Go over the material a bit slower and explain it well.
- I hope the video could be more clearly and slow
- The TA performs effectively already.
- The instructor can try to talk more
- More step-by-step explanations.
- None that I can think of
